WILLIAM HENRY HARRISON MURRAY
**DAYLIGHT
LAND**

Daylight Land

Mr. Murray takes us on an adventure that he has recorded as payment to his family in exchange for their permission to embark upon it. In this trip, he travels by train across Canada all the way to Vancouver. He details for us the immense beauty of the breathtaking sights, the stories of his comrades that he picks up during the trip, and a few chance encounters who have amazing stores to tell. This book is as entertaining as it is educational for what was there, and what was expected to develop in the early decades of the Twentieth Century.
